Subject: Extension of Permit Expiration Date
Permit Nos. 0570005-021-AC and PSD-FL-355
CF Industries, Inc. - Plant City Phosphate Complex

Dear Mr. Arif:

This is a follow up to your telephone conversation with Pradeep Raval on August 28, 2009 regarding an extension of the above referenced permit.

On behalf of CF Industries, Inc., an extension of the above referenced permit is requested from December 31, 2009 to December 31, 2011. The additional time will allow for the installation of the proposed acid clarifiers, currently under FDEP review, and incorporate the necessary provisions into the Title V permit.

It is anticipated that the requirement of incorporating the terms of the construction permit into the Title V permit will be revised to facilitate that administrative process.

If you have any questions, please do not hesitate to call Pradeep Raval or me.

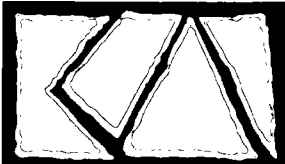

Very truly yours,
