OGC CASE NO. 99-1741  
Draft Title V Permit  
No. 0570040-002-AV  
Francis J. Gannon Station

**REQUEST FOR EXTENSION  
OF TIME TO PETITION FOR HEARING**

Tampa Electric Company ("TEC"), by and through its undersigned counsel, hereby requests that an order be entered extending the time to petition for an administrative hearing on draft Title V Permit No. 0570040-002-AV to June 2, 2000, and as grounds therefor states:

1. TEC representatives received from the Department of Environmental Protection ("Department") draft Title V Permit No. 0570040-002-AV. The draft permit is for the Francis J. Gannon generating station located in Hillsborough County, Florida.

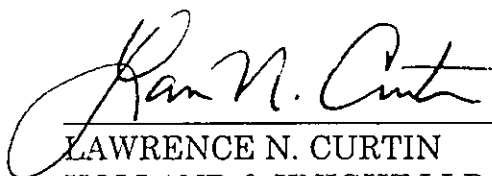

2. The draft Title V Operation Permit appended to the Intent to Issue contains several items that have raised issues that require a resolution prior to TEC accepting the permit.

3. TEC representatives have discussed the matter with appropriate Department staff and continue to meet with Department representatives in order to amicably resolve the issues of concern. They have suggested that an extension of time is necessary to resolve the matter.

4. The undersigned has attempted to contact Douglas Beason, Esquire, of the Office of General Counsel to discuss this request.

WHEREFORE, Tampa Electric Company respectfully requests that an order be entered extending the time to petition for an administrative hearing on draft Title V Permit No. 0570040-002-AV to, and including, June 2, 2000.

Respectfully submitted, this 14th day of April, 2000.
