Dear Mr. Accardo:

This letter is intended to amend the list of "Responsible Officials" for the Florida Power Corporation d/b/a Progress Energy Florida, Inc. plants listed above. The Florida Department of Environmental Protection Form 62-213.900(8) identifying the responsible officials is enclosed. There may be individuals no longer associated with the operation of these power plants that are identified as Alternate Responsible Officials in the Division of Air Resource Management's ARMS database. Please ensure that only the individuals listed on the enclosed DEP Form are active Primary and Alternate Responsible Officials for these plants in the ARMS database and all other individuals are deleted or inactivated.

If you have any questions, please contact our Mary Alford (our Environmental Specialist) or myself at (386) 668-5103.

Sincerely,

A handwritten signature in black ink that reads 'Martin J. Drango'.

Martin J. Drango, PE  
Central and North Combustion Turbine Station Manager
