NOTICE OF WITHDRAWAL OF REQUEST FOR EXTENSION OF TIME

By and through undersigned counsel, Orlando CoGen Limited, L.P. (Orlando), hereby withdraws its Request for Extension of Time to file a petition for formal administrative proceedings in accordance with Chapter 120, Florida Statutes. Orlando filed its last Request for Extension of Time on August 27, 1998, in response to the "Intent to Issue Title V Air Operation Permit" (Permit No. 0950203-001-AV) for the Orlando CoGen Plant located in Orange County, Florida, to negotiate certain changes in the draft proposed Title V air operation permit with the Department of Environmental Protection (Department). Based on the Orlando comment letters dated May 21, 1998, and July 17^o, 1998, the Department's response dated June 23, 1998, and subsequent discussions with Department representatives, Orlando and the Department have come to an agreement on the issues involving the above-referenced draft Title V permit. The agreement between Orlando and the Department is reflected in the correspondence from the Department dated June 23, 1998 and a preliminary Proposed Title V permit forwarded to Orlando by the Department, copies of which are attached to this Notice. Accordingly, Orlando hereby withdraws its Request for Extension of Time expressly conditioned upon the

Department's issuance of the Proposed Permit in accordance with the Department's agreement with Orlando.

Respectfully submitted this 10 day of September, 1998.
