

FINAL DETERMINATION

Kissimmee Utility Authority

Permit Modification No. AC-0970043-005, PSD-FL-182B
Cane Island Facility

An Intent to Issue an air construction permit modification for Kissimmee Utility Authority's Cane Island Facility located near Intercession City, Osceola County was distributed on November 5, 1998. The Notice of Intent was published in the Orlando Sentinel on November 13, 1998.

No comments were received by the Department from the public or the EPA.

Comments were received from the Air Quality Branch of the U.S. Fish & Wildlife Service (USFWS) as a result of the public notice. USFWS comments basically concurs with the Department decision of allowing one more year to determine the compliance of Unit No 1 with the NO_x emission limit.

The final action of the Department will be to issue the permit modification as proposed.
