INTENT TO ISSUE AN AIR CONSTRUCTION PERMIT AND A TITLE V AIR OPERATION PERMIT REVISION.

The Department of Environmental Protection (permitting authority) gives notice of its intent to issue an Air Construction Permit and a Title V Air Operation Permit Revision (copies of the Draft Air Construction Permit and DRAET Title V Air Operation Permit Revision attached) for the Title V source detailed in the application(s) specified above and the attached Technical Evaluation and Preliminary Determination for the reason stated below.

The applicant, Reliant Energy Osceola, L.L.C. applied on April 6, 2004 to the permitting authority for an Air Construction Permit and a Title V Air Operation Revision for the Reliant Energy Osceola, L.L.C. Facility located at 5200 West Holopaw Road, St. Cloud, Osceola County, Florida.

The facility consists of three 170-mega watt gas fired combustion turbines that occasionally use low sulfur (0.05 percent) fuel oil for backup. The construction permit (modification to PSD-FL-273), and corresponding Title V permit revision are to: (a) clarify the wording concerning performance testing requirements; (b) remove the re-
