Tallahassee, Florida 32399-2400

Re: Responsible Official Notification for Title V
Anclote Power Plant
Facility ID No: 1010017

Dear Mr. Koerner,

This letter is intended to modify the list of "responsible officials" for the Title V air permit for the Florida Power Corporation d/b/a Progress Energy Florida, Inc. Anclote Power Plant. The Florida Department of Environmental Protection form 62-213.900(8) to identify responsible officials is enclosed. This form is being submitted as a result of recent organizational changes within Progress Energy Florida, Inc.

Also, it has come to our attention that there are several individuals identified as alternate responsible officials in the Division of Air Resource Management's ARMS database that are no longer associated with the operation of the Anclote Power Plant and include the following individuals:

NAME	Identifier in DEP ARMS Database
REGINALD D. ANDERSON	OWNER/AUTHORIZED REPRESENTATIVE
REGINALD D. ANDERSON	PRIMARY RESPONSIBLE OFFICIAL (TITLE V)
ERIC GRANT	RESPONSIBLE OFFICIAL (TITLE V)
ALICE GEHRING	RESPONSIBLE OFFICIAL (TITLE V)

Please ensure that the individuals listed above are removed or inactive as primary or alternate responsible officials for the Anclote Power Plant as identified in the ARMS database. In addition, please change the legal name of the owner/operator of this facility to Florida Power Corporation d/b/a Progress Energy Florida, Inc.

If you have any questions, please contact Suzanne Hamilton by telephone at (727) 943-3001 or via e-mail at Suzanne.Hamilton@pgnmail.com.

Sincerely,

A handwritten signature in black ink, appearing to read "William Luke", with a long horizontal flourish extending to the right.

William Luke
Plant Manager, Anclote Power Plant
