Re: DRAFT/PROPOSED Title V Permit, Notification of Publication of Public Notice

Higgins Power Plant
Title V Air Operation Permit Renewal
DRAFT/PROPOSED Permit No.: **1030012-005-AV**
Parallel Review

This project is being processed using a parallel review. The purpose of this e-mail is to notify the United States Environmental Protection Agency (USEPA) Region 4 of the beginning and end dates of the public comment period for the subject permit.

The Public Notice for the subject permit was published on October 16, 2007. Proof of publication of the Public Notice was received on October 22. The USEPA Region 4 review period begins on the date of publication (beginning of the public comment period) and ends on the 45th day after publication {Day 45 is **November 30**}.

Provided an objection (veto) is not received from USEPA, the DRAFT/PROPOSED permit will become a FINAL permit by operation of law on the 55th day after the permit posting date {Day 55 is **December 10**}.
