LEGAL NOTICE

PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT RENEWAL

STATE OF FLORIDA
DEPARTMENT OF ENVIRONMENTAL PROTECTION

DRAFT Permit Project No. 1030013-002-AV Bayboro Power Plant
Pinellas County

The Department of Environmental Protection (permitting authority) gives notice of its intent to issue a Title V Air Operation Permit Renewal to Progress Energy Forkia, Inc. for the Bayboro Power Plant, located at 13th Avenue and 2nd Street South, St. Petersburg, Pinetas County. The applicant's name and address are: Mr. Michael Lentz, Responsible Official, Progress Energy Flonds, Inc., P.O. Box 14042, St. Petersburg, FL 33733.

The permitting authority will issue the PROPOSED Permit, and subsequent FINAL Permit, in accordance with the conditions of the DRAFT Permit unless a response received in accordance with the following procedures results in a different decision or significant change of terms or conditions.

The permitting authority will accept written comments concerning the proposed DRAFT Permit issuance action for a period of 30 (fruity) days from the date of publication of this Notice. Written comments should be provided to the Department's Bureau of AI Regulation, 2500 Blair Stone Road, its station a 5505, Tallahassee, Florida 32399-2400. Any written comments field shall be made available for public inspection. If written comments received result in a significant change in this DRAFT Permit, the permitting authority shall issue a Revised DRAFT Permit and require, if applicable, another Public Notice.

permitting authority shall issue a Newsed DRAFT Permit and require, if applicable, another Public Notice.

A person whose substantial interests are effected by the proposed permitting decision may perture on a administrative hearing in accordance with Sections 120.569 and 120.57 of the Florida Statuties (F.S.). The perture must contain the information set forth below and must be filed freceived) in the Office of General Counsel of the Department of Environmental Protection, 3900 Commonwealth Boulevard, Mail Station 435, Taliahasses, Florida 32399-3000 (felephone: 850/245-2242; Fax: 850/245-2303). Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S., invisit be filed within fourteen days of receipt of the notice of intent, whichever occurs first. Under Section 120.60(3), F.S., however, any person who saked the permitting authority for notice of agency action may file a petition within fourteen days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The faultive of any person to file a petition within the applicable time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205 of the Florida Administrative Code (FA.C.).

A pertion that disputes the material facts on which you provided the following information:

(a) The name and address of each agency affected and each agency's file or identification number, if known;

(b) The name and address of each agency affected and each agency's file or identification number, if known; petition that disputes the material facts on which the permitting authority's action is based must

If known;

(b) The name, address and telephone number of the petitioner; name address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how petitioner's substantial rights will be affected by the agency determination;

(c) A statement of how and when the petitioner received notice of the agency action or proposed

(c) A statement of all disputed issues of material fact. If there are none, the petition must so state, (d) A statement of all disputed issues of material fact, all there are none, the petition must so state, (e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle petitioner to relief; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the specific rules or statutes the petitioner contends require reversal or modification of the specific rules or statutes the petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts upon which the permitting authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above as required by Rule 28-106.301, FA.C.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the permitting authority's final action may be different froig the position taken by it in this notice of intent. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Mediation is not available for this proceeding.

in addition to the above, pursuant to 42 United States Code (U.S.C.) Section 7661d(b)(2), any person may petition the Administrator of the EPA within 60 (sixty) days of the expiration of the Administrator's 45 (forty-five) day review period as established at 42 U.S.C. Section 7661d(b)(1), to object to issuance of any permit. Any petition shall be based only on objections to the permit that were raised with reasonable specificity during the 30 (thirty) day public comment period on the shorted with reasonable demonstrates to the Administrator of the EPA that it was impracticable to raise such objections within the comment period or unless the grounds for such objection arose after the comment period. Filling of a petition with the Administrator of the EPA does not stay the effective date of any permit properly issued pursuant to the provisions of Chapter 62-213, EAC. Petitions filled with the Administrator of EPA must meet the requirements of 42 U.S.C. Section 7661d(b)((Z)) and must be filled with the Administrator of the EPA at: U.S. EPA, 401 M Street, S.W., Washington, D.C. 20460.
