Subject: Withdrawal of Minor Permit Application  
Pinellas County Resource Recovery Facility  
Facility ID No. 1030117

Dear Mr. Koerner:

On behalf of Pinellas County, CDM is requesting withdrawal of the minor permit application, dated July 28, 2010. The application requested a minor permit for the installation of the baghouse in the Residue Storage and Processing Building (RSPB).

John Holt of Florida Department of Environmental Protection (FDEP) spoke with CDM on July 21, 2010 and Pinellas County on July 22, 2010 regarding the application. Based on these discussions, it was mutually agreed the baghouse was installed to meet the mechanical ventilation requirements of the RSPB. Therefore, the baghouse is not an emission source and should be exempt from the emission testing requirements pursuant to Rule 62-296.711, F.A.C.

Please contact Bill Crellin or Robert Velasco at (813) 281-2900, if you have any questions.

Sincerely,

William R. Crellin, Jr., P.E.
