Date: Tuesday, January 11, 2011 2:48:05 PM

Mr. Iyer,

This is a follow up to a voice mail message that I left this afternoon. The 90-day extension that was granted on October 18, 2010 for the Multifos C Kiln at the New Wales Plant will expire on next week.

We are awaiting additional information as addressed in the Request for Additional Information dated July 23, 2010.

Thank you

Marilyn Koletzke
