Proof of Publication of the Intent to Issue  
FDEP File No. PSD-FL-263 (PA92-32SA)

Dear Mr. Linero:

Please find enclosed a copy the proof of publication of the "Notice of Intent to Issue PSD Permit" to Tampa Electric Company for the construction of two combustion turbine-electrical generators. This notice was published in the legal section of the Lakeland Ledger on Saturday, July 10, 1999. Due to time constraints, the attached is a faxed copy provided by the newspaper. A cleaner version will be forwarded when it becomes available.

Although the Public Notice was published as provided by the Department, please note that evaporative inlet coolers are not being used on these units.

Thank you for your attention to this matter. If you have any concerns or questions feel free to contact me at (813) 641-5033.

Sincerely,

Jamie Hunter

Public Notice of Intent to Issue PSD Permit  
DEPARTMENT OF ENVIRONMENTAL PROTECTION  
Kempco Electric Company, Polk County, Florida  
The Department of Environmental Protection (DEP) has received a public notice of intent to issue a permit for the construction and operation of a power plant located at the intersection of State Road 30 South and Highway 190 South in Lakeland, Polk County, Florida. The proposed power plant will have a capacity of 14,000 kilowatts and will use natural gas as fuel. The plant will also have a cooling tower and a water treatment system. The DEP is conducting a public hearing on the proposed permit on July 15, 1999, at 10:00 a.m. at the DEP Regional Office in Lakeland, Florida. The hearing will be held in the conference room of the DEP Regional Office. The DEP is also accepting written comments on the proposed permit until July 22, 1999. The DEP will consider all comments received and will issue a final decision on the permit by July 29, 1999. If you have any questions or comments, please contact the DEP Regional Office at (813) 941-2000.
