Re: **Title V Permit Application**
Winston Peaking Station Permit No: 1050352-000-AC

Dear Scott:

Project No- 1050352-002-AV

In compliance with the above referenced air construction permit, Lakeland Electric (Lakeland) is submitting an application for Title V operating permit for the Winston Peaking Station.

As required by the permit, we are enclosing four copies of this document signed and certified by Mr. Ken Kosky P.E of Golder Associates and Lakeland's Responsible Official, Mr. Keith Hulbert, respectively and will forward a copy of this application to the Department's Southwest District. As always, we appreciate all the help you have offered us in our permitting endeavors and look forward to hear from you soon.

However, if you should have any questions, please do not hesitate to contact me.

Sincerely,

Farzie Shelton
