According to General Manager Eric Frechette, recent record sales from the last few months have resulted in an overstock of trade-ins. "In the last three months, our sales have increased at a tremen-dous rate," Frechette said. "Now we must reduce the number of used cars and trucks on our used car lot to a more manageable number. In addition, the factory has shipped in more new vehicles than we can sell and more are arriving every day. During
