PUBLIC NOTICE OF INTENT TO
ISSUE TITLE V AIR OPERATION
PERMIT REVISION

Florida Department of
Environmental Protection
Division of Air Resource
Management, Bureau of Air
Regulation Draft / Proposed Air
Permit No. 1270009-016-AV
Florida Power & Light Company,
Sanford Power Plant
Volusia County, Florida
Applicant: The applicant for this
project is Florida Power & Light
Company. The applicant's au-
thorized representative and
mailing address is: Sheila Wil-
kinson, PGD Interim General
Manager, Florida Power & Light
Company, Sanford Power Plant,
700 Universe Boulevard
(GPA/JB), Juno Beach, FL
33408.

Facility Location: Florida Power
& Light Company, operates the
existing Sanford Power Plant,
which is located in Volusia
County at 950 Highway 17-92,
DeBary, FL 32713.

Project: The applicant has sub-
mitted a complete and certified
Clean Air Interstate Rule (CAIR)
Part Form and has requested its
incorporation into the existing
Title V air operation permit.

This facility is a nominal 2200
MW electric power generating
plant and consists of: one Bab-
cock & Wilcox 156 megawatt
(MW) wall-fired steam boiler
generating unit (Unit 3) and
eight 250 MW combined cycle
combustion gas turbines
(Repowered Units 4 and 5) and
ancillary equipment. These
repowered units replace the ex-
isting Foster Wheeler 490 MW
(built in 1972 and 1973) residual
oil-fired and gas-fired steam
generating boilers Unit 4 and 5,
while the existing steam-driven
electrical turbine generators will
remain.

Unit 3 (ARMS Emissions Units
001) is an existing Babcock &
Wilcox 156 MW wall-fired steam
boiler (built in 1957), generating
unit that is permitted to fire nat-
ural gas, No. 6 fuel oil, No. 2 fuel
oil and used oil from FPL opera-
tions.

Repowered Unit 4 (ARMS Emis-
sions Units 005-008) and
Repowered Unit 5 (ARMS Emis-
sions Units 009-012) are each
made up of four new combus-
tion gas turbines (PSNCT4A
thru PSNCT4D and PSNCT5A
thru PSNCT5D), and one exist-
ing steam-driven electrical
turbine-generator operating in a
combined cycle mode ("4 on 1"
combined cycle system). These
turbines are permitted to fire
natural gas (Repowered Units 4
and 5) and fuel oil (Repowered
Unit 5).

Each combined cycle combus-
tion turbine unit is a 170 MW @
59 degrees F, compressor inlet
General Electric frame
MS7241FA advanced combus-
tion turbine-generator, with as-
sociated inlet foggers and an
unfired Heat Recovery Steam
Generator (HRSG) that will cap-
ture sufficient waste heat to pro-
duce another 80 MW via the
steam-driven electrical turbine
generator (therefore, each a 250
MW in combined cycle opera-
tion).

Water injection is installed in
each turbine (Repowered Unit 5)
to control nitrogen oxides
(NOx), when firing distillate oil.
Dry Low-NOx combustors are
installed in each turbine for both
Repowered Units 4 and 5 to
control NOx when firing natural
gas. Electrical fuel heaters will
be used in each turbine to heat
the natural gas prior to use dur-
ing cold startups. An

PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT REVISION
 Florida Department of Environmental Protection
 Division of Air Resource Management, Bureau of Air Regulation Draft / Proposed Air Permit No. 1270009-016-AV
 Florida Power & Light Company, Sanford Power Plant
 Volusia County, Florida
 Applicant: The applicant for this project is Florida Power & Light Company. The applicant's authorized representative and mailing address is: Sheila Wilkinson, P.O. Interim General Manager, Florida Power & Light Company, Sanford Power Plant, 700 Universe Boulevard (GPA/JB), Juno Beach, FL 33408.
 Facility Location: Florida Power & Light Company, operates the existing Sanford Power Plant, which is located in Volusia County at 950 Highway 17-92, DeBary, FL 32713.
 Project: The applicant has submitted a complete and certified Clean Air Interstate Rule (CAIR) Part Form and has requested its incorporation into the existing Title V air operation permit. This facility is a nominal 2200 MW electric power generating plant and consists of: one Babcock & Wilcox 156 megawatt (MW) wall-fired steam boiler generating unit (Unit 3) and eight 250 MW combined cycle combustion gas turbines (Repower Units 4 and 5) and ancillary equipment. These repowered units replace the existing Foster Wheeler 490 MW (built in 1972 and 1973) residual oil-fired and gas-fired steam generating boilers Unit 4 and 5, while the existing steam-driven electrical turbine generators will remain.

Legal Notices

products/apds/default.asp and entering the permit number shown above. Interested persons may contact the Permitting Authority's project review engineer for additional information at the address or phone number listed above.
 Notice of Intent to Issue Air Permit: The Permitting Authority gives notice of its intent to issue an air permit to the applicant for the project described above. The applicant has provided reasonable assurance that operation of proposed equipment will not adversely impact air quality and that the project will comply with all appropriate provisions of Chapters 62-4, 62-204, 62-210, 62-212, 62-213, 62-214, 62-296 and 62-297, F.A.C. The Permitting Authority will issue a Final Permit in accordance with the conditions of the proposed Draft/Proposed Permit unless a timely petition for an administrative hearing is filed under Sections 120.569 and 120.57, F.S., or unless public comment received in accordance with this notice results in a different decision or a significant change of terms or conditions.
 Comments: The Permitting Authority will accept written comments concerning the Draft / Proposed Title V Air Operation Permit for a period of 30 days from the date of publication of this Public Notice. Written comments must be received by the close of business (5:00 p.m.) on or before the end of this 30-day period by the Permitting Authority at the above address. As part of his or her comments, any person may also request that the Permitting Authority hold a public meeting on this permitting action. If the Permitting Authority determines there is sufficient interest for a public meeting, it will publish notice of the time, date, and location on the official Web site for notices at Florida Administrative Weekly (FAW) at <http://law.dos.state.fl.us/> and in a newspaper of general circulation in the area affected by the permitting action. For additional information, contact the Permitting Authority at the above address or phone number. If written comments or comments received at a public meeting result in a significant change to the Draft/Proposed Permit, the Permitting Authority shall issue a Revised Permit and require, if applicable, another Public Notice. All comments filed will be made available for public inspection. Petitions: A person whose substantial interests are affected by

Legal Notices

petition that does not dispute the material facts upon which the Permitting Authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.
 Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the Permitting Authority's final action may be different from the position taken by it in this Public Notice of Intent to Issue Air Permit. Persons whose substantial interests will be affected by any such final decision of the Permitting Authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.
 Mediation: Mediation is not available for this proceeding. EPA Review: EPA has agreed to treat the Draft/Proposed Title V air operation permit as a Proposed Title V Air Operation Permit and to perform its 45-day review provided by the law and regulations concurrently with the public comment period. Although EPA's 45-day review period will be performed concurrently with the public comment period, the deadline for submitting a citizen petition to object to the EPA Administrator will be determined as if EPA's 45-day review period is performed after the public comment period has ended. The Final Title V air operation permit will be issued after the conclusion of the 45-day EPA review period so long as no adverse comments are received that results in a different decision or significant change of terms or conditions. The status regarding EPA's 45-day review of this project and the deadline for submitting a citizen petition can be found at the following Web site address: <http://www.epa.gov/region4/air/permits/Florida.htm>.
 Objections: Finally, pursuant to 42 United States Code (U.S.C.) Section 7661d(b)(2), any person may petition the Administrator of the EPA within 60 days of the expiration of the Administrator's 45-day review period as established at 42 U.S.C. Section 7661d(b)(1), to object to the issuance of any Title V air operation permit. Any petition shall be based only on objections to the Permit that were raised with reasonable specificity during the 30-day public comment period provided in the Public Notice.

while the existing steam-driven electrical turbine generators will remain.

Unit 3 (ARMS Emissions Units 001) is an existing Babcock & Wilcox 156 MW wall-fired steam boiler (built in 1957) generating unit that is permitted to fire natural gas, No. 6 fuel oil, No. 2 fuel oil and used oil from FPL operations.

Repowered Unit 4 (ARMS Emissions Units 005-008) and Repowered Unit 5 (ARMS Emissions Units 009-012) are each made up of four new combustion gas turbines (PSNCT4A thru PSNCT4D and PSNCT5A thru PSNCT5D), and one existing steam-driven electrical turbine-generator operating in a combined cycle mode ("4 on 1" combined cycle system). These turbines are permitted to fire natural gas (Repowered Units 4 and 5) and fuel oil (Repowered Unit 5).

Each combined cycle combustion turbine unit is a 170 MW (659 degrees F - compressor inlet) General Electric Frame MS7241FA advanced combustion turbine-generator, with associated inlet foggers and an unfired Heat Recovery Steam Generator (HRSG) that will capture sufficient waste heat to produce another 80 MW via the steam-driven electrical turbine generator (therefore, each a 250 MW in combined cycle operation).

Water injection is installed in each turbine (Repowered Unit 5) to control nitrogen oxides (NO_x), when firing distillate oil. Dry Low-NO_x combustors are installed in each turbine for both Repowered Units 4 and 5 to control NO_x when firing natural gas. Electrical fuel heaters will be used in each turbine to heat the natural gas prior to use during cold startups. An evaporative equipment cooler was built instead of the proposed mechanical draft-cooling tower.

Air pollutants are discharged through a 302 foot stack on Unit 3. For Repowered Units 4 & 5, the existing tail boiler stacks (Units 4 & 5) were dismantled and replaced with relatively short stacks per emissions unit for combined cycle operations. Permitting Authority: Applications for Title V air operation permits are subject to review in accordance with the provisions of Chapter 403, Florida Statutes (F.S.), and Chapters 62-4, 62-210, 62-213 and 62-296.170 of the Florida Administrative Code (F.A.C.). The proposed project is not exempt from air permitting requirements and a Title V air operation permit is required to operate the facility. The Bureau of Air Regulation is the Permitting Authority responsible for making a permit determination for this project. The Permitting Authority's physical address is: 111 South Magnolia Drive, Suite #4, Tallahassee, Florida. The Permitting Authority's mailing address is: 2600 Blair Stone Road, MS #5505, Tallahassee, Florida 32399-2400. The Permitting Authority's telephone number is 850/488-0114.

Project File: A complete project file is available for public inspection during the normal business hours of 8:00 a.m. to 5:00 p.m., Monday through Friday (except legal holidays), at address indicated above for the Permitting Authority. The complete project file includes the Draft/Proposed Permit, the Statement of Basis, the application, and the information submitted by the applicant, exclusive of confidential records under Section 403.111, F.S. Interested persons may view the Draft/Proposed Permit by visiting the following Web site: <http://www.dcp.state.fl.us/air/e>

public inspection. Petitions: A person whose substantial interests are affected by the proposed, permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed with (received by) the Department's Agency Clerk in the Office of General Counsel of the Department of Environmental Protection at 3900 Commonwealth Boulevard, Mail Station #35, Tallahassee, Florida 32399-3000. Petitions filed by any persons other than those entitled to written notice under Section 120.60(3), F.S. must be filed within 14 days of publication of this Public Notice or receipt of a written notice, whichever occurs first. Under Section 120.60(3), F.S., however, any person who asked the Permitting Authority for notice of agency action may file a petition within 14 days of receipt of that notice, regardless of the date of publication. A petitioner shall mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention (in a proceeding initiated by another party) will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition that disputes the material facts on which the Permitting Authority's action is based must contain the following information: (a) The name and address of each agency affected and each agency's file or identification number, if known; (b) The name, address and telephone number of the petitioner; the name, address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial rights will be affected by the agency determination; (c) A statement of when and how the petitioner received notice of the agency action or proposed decision; (d) A statement of all disputed issues of material fact. If there are none, the petition must so state; (e) A concise statement of the ultimate facts alleged, including the specific facts the petitioner contends warrant reversal or modification of the agency's proposed action; (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action including an explanation of how the alleged facts relate to the specific rules or statutes; and, (g) A statement of the relief sought by the petitioner, stating precisely the action the petitioner wishes the agency to take with respect to the agency's proposed action. Attorney for Personal Representative: Melvin D. Stack Florida Bar No. 297798 Melvin D. Stack, P.A. 444 Seabreeze Blvd., Suite 400 Daytona Beach, FL 32118 Telephone: (386) 253-1811 Legal L741500. July 12, 19, 2008 21.

TIVE DATE OF PROPOSED CHARTER AMENDMENTS. The above ordinance may be inspected by the public at City Hall, 2990 S. Atlantic Ave., during the hours of 8:30 a.m. to 4:00 p.m. Monday through Friday. At the time and place aforesaid for the Public Hearing, all interested parties may appear and will be given an opportunity to be heard. Note: Individuals covered by the Americans with Disabilities Act of 1990 in need of accommodations for this public meeting should contact the Office of the City Clerk at the address and telephone number noted at least seven working days prior to the meeting. Telephone (386) 763-5364, City Hall, 2990 S. Atlantic Ave., Daytona Beach Shores, FL 32118.

City of Daytona Beach Shores, FL By: /s/Cheri Schwab City Clerk Legal L741501. July 12, 2008 It.

The City Council of the City of South Daytona, Florida shall consider for adoption at a public hearing to be held on Tuesday, July 22, 2008 at 6:00 p.m. in the Council Chamber at City Hall, 1672 S. Ridgewood Avenue, South Daytona the following ordinance(s):

ORDINANCE NO. 08-11 AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF SOUTH DAYTONA, FLORIDA EXEMPTING THE CITY FROM THE UNIFIED ELECTION DATE ESTABLISHED IN FLORIDA STATUTES CHAPTER 95-462, AS AMENDED BY FLORIDA STATUTES CHAPTER 98-506; AMENDING THE CITY'S CHARTER TO SELECT NEW ELECTION DATES; PROVIDING FOR ADJUSTMENTS TO THE TERMS OF OFFICE OF THE EXISTING ELECTED OFFICIALS TO ACCOMMODATE THE CHANGE IN ELECTION DATES; PROVIDING FOR SEVERABILITY; PROVIDING FOR CONFLICTING ORDINANCES; AND PROVIDING AN EFFECTIVE DATE.

The proposed ordinance(s) are available for public inspection during regular business hours in the office of the City Clerk, 1672 S. Ridgewood Avenue, Florida 32119. All parties in interest may be heard at said time and place. If a person decides to appeal any decision made by the Council with respect to any matter considered at such meeting or hearing, he will need to ensure that a verbatim record of the proceedings is made. Which record includes testimony and evidence upon which the appeal is to be based.

Joseph W. Yarbrough City Manager Legal L739909. July 12, 2008 It.

Americans with Disabilities Act of 1990 in need of accommodations to attend public bid openings or meetings should contact the City Clerk at (386) 668-2040 at least five (5) days prior to the date. RIGHTS RESERVED: THE CITY OF DEBARY reserves the right to reject any or all proposals and to waive any formality or technicality in any proposal in the interest of THE CITY OF DEBARY.

Tom Vandehay Parks Superintendent City of DeBary, Florida Legal L741516. July 12, 13, 2008 21.

NOTICE The City Council of the City of Port Orange, Florida shall consider for adoption Ordinance No. 2007-20 titled as follows:

ORDINANCE NO. 2008-20 AN ORDINANCE OF THE CITY OF PORT ORANGE, VOLUSIA COUNTY, FLORIDA, GRANTING TO FLORIDA POWER & LIGHT COMPANY, ITS SUCCESSORS AND ASSIGNS AN ELECTRIC FRANCHISE, IMPOSING PROVISIONS AND CONDITIONS RELATING THERETO, AND PROVIDING FOR MONTHLY PAYMENTS TO THE CITY OF PORT ORANGE, FLORIDA, AND PROVIDING FOR CONFLICTING ORDINANCES; PROVIDING FOR SEVERABILITY AND PROVIDING AN EFFECTIVE DATE.

The City Council of the City of Port Orange, Florida, shall hold a meeting to consider the enactment of said proposed Ordinance at 7:00 p.m., or as soon thereafter as may be heard, on Tuesday, July 22, 2008, at the Council Chambers, City Hall, 1000 City Center Circle, Port Orange, Florida.

A copy of the proposed Ordinance is available in the City Clerk's Office, City Hall, Port Orange, Florida, and may be inspected by the public.

All interested parties may appear at said meeting and be heard with respect to the proposed Ordinance.

Stirley M. Kelly, CMC Deputy City Clerk Legal L741513. July 12, 2008 It.

INVITATION TO BIDDERS/PROPOSERS

Sealed proposals will be received at the office of the Marine Discovery Center, 162 North Causeway, New Smyrna Beach, FL 32169 by 4:00 p.m., July 28, 2008 at which time bids will be opened and publicly reviewed.

The purpose of this bid is to provide project site improvements including stormwater pond native plant landscaping with appropriately sized water pump, work shed construction, greenhouse expansion and development of an interpretive trail with signage.

A site visit is recommended to ascertain a complete understanding of the project. Only licensed contractors legally capable of delivering the total project will be determined as eligible bidders and proof of eligibility must be submitted with the bid. Bid packets can be obtained at the project site at the Marine Discovery Center, 162 North Causeway, New Smyrna Beach, FL 32169 beginning July 14, 2008 or by calling 386-428-4828. Legal L741269. July 12, 2008 It.

NOTICE OF MEETING. Hospice of Volusia/Flagler's Finance Committee meeting will be held on Thursday, July 24, 2008 at 5:00 p.m. in the Community Room at 3800 Woodbrar Trail, Port Orange, FL.
