Dear Ms. Carter:

RE: Florida Power Corporation, University of Florida Cogeneration Plant
REQUEST FOR EXTENSION OF TIME on the *Intent to Issue Title V Air Operation Permit*,
Draft Permit No. 0010001-001-AV

On June 27, 1997, Florida Power Corporation (FPC) received the above-referenced Intent to Issue Title V Air Operation Permit. A review of the permit conditions has revealed that several issues remain to be resolved. The Department previously agreed to grant an Order extending the time to file a petition until March 31, 1998. Mr. Scott Osbourn of my staff has had discussions with Mr. Scott Sheplak of the Department who agreed that an additional extension of time to discuss these issues is appropriate. Therefore, based upon the Department's concurrence and pursuant to Rules 62-103.050 and 28-106.111, Fla. Admin. Code, FPC respectfully requests an extension of time in which to file a petition for an administrative hearing under Sections 120.569 and 120.57, Fla. Stat., up to and including June 1, 1998.

If you should have any questions, please contact Mr. Scott Osbourn of FPC at (813) 866-5158.
