RE: Gainesville Regional Utilities  
J.R. Kelly Generating Station (Permit No. 0010005-003-AV)  
Part 1 MACT Application for the Combustion Turbine (CT)  
And Reciprocating Internal Combustion Engine (RICE) Source Categories

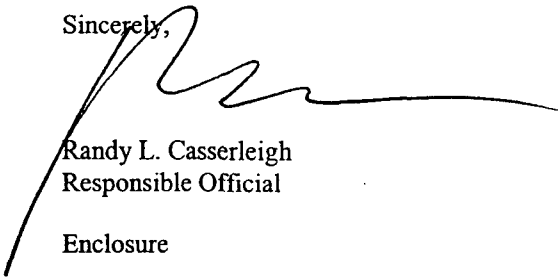

Dear Mr. Neeley and Ms. Phillips:

Please find enclosed Part 1 of the two-part 112(j) permit application. We understand that EPA finalized amendments on April 5, 2002 to allow this two-part application process, and that DEP is acting to incorporate by reference these amendments at its earliest opportunity. As indicated in Ms. Phillips' letter dated April 5, 2002, we are submitting Part 1 by May 15, 2002.

Based on the information available to us at the time of this application, we believe that we may be subject to section 112(j) of the Clean Air Act. We reserve the right, however, to amend or withdraw this application should we obtain new or different information regarding our status.

Please contact me at (352) 334-3400 Ext 1289 or Ms. Yolanta Jonynas at Ext. 1284 if you have any questions.

Sincerely,

Randy L. Casserleigh  
Responsible Official

Re: 112(j) Notification Information Submittal  
J. R. Kelly Generating Station, Facility ID 0010005

Dear Mr. Casserleigh:

Thank you for submitting the referenced information in your letter dated May 14, 2002. Your information submittal appears to meet our current 112(j) requirements.

Please be aware that, although your letter refers to this information submittal as a "Part 1 MACT application," the Department does not recognize your submittal as a state permit application and has no plans to process it as such.

No further 112(j) information is needed from you at this time.

If you have any questions, please call me at 850/921-9534.

Sincerely,

A handwritten signature in cursive script that reads "Cindy L. Phillips".
