Re: FPL Cape Canaveral Energy Center Project
Application for Site Certification

Dear Mr. Halpin:

Florida Power & Light Company (FPL) is pleased to submit to the Department of Environmental Protection (Department) its Site Certification Application (SCA) for the Cape Canaveral Energy Center Project (Project) in Brevard County, pursuant to the Florida Electrical Power Plant Siting Act, Section 403.501, et seq., F.S. and Section 62-17.051, F.A.C. Enclosed is FPL Check No. 1279272, made payable to the Department in the amount of \$125,000.00, and provided as the application fee pursuant to Section 62-17.293(1)(b), F.A.C. At this time, FPL is providing copies of the SCA to other agencies identified in Section 403.507(2)(a), F.S., pursuant to Section 403.5064(1)(a), F.S.

The SCA addresses all aspects of the Cape Canaveral Energy Center Project by presenting information in accordance with the Department's draft "Application Instruction Guide: Electrical Power Plant Sites and Associated Facilities Electrical Transmission Lines" dated June 27, 2007 (draft DEP Form 62-17.900). FPL is also separately filing with the Department an Application for Air Construction Permit for the Project and a Request for Modification of the existing Cape Canaveral Plant's Industrial Wastewater Facility Permit.

FPL looks forward to working with the Department and other interested agencies in the certification process. If you should have any questions regarding this SCA, please do not hesitate to call me at 561-691-7518 or Jacquelyn Lorne at 561-691-7063.

Sincerely,

Barbara P. Linkiewicz
Director of Environmental Licensing
