BURNEAU OF AIR REGULATION

FLORIDA POWER & LIGHT CO.,

OGC No.

DEP Draft Permit No. 0090006-005-AC

Petitioner,

vs.

FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION,

Respondent.

## REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Florida Power & Light Company (FPL) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time, to and including May 28, 2009, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, FPL states the following:

- 1. On or about March 13, 2009, FPL received from the Department of Environmental Protection ("Department") a "Written Notice of Intent to Issue Air Construction Permit" and accompanying "Draft Permit" (Air Permit No. 0090006-005-AC), for FPL's Cape Canaveral Energy Center (CCEC), located at 6000 North U.S. Highway 1 between Cocoa and Titusville in Brevard County, Florida.
- 2. Based on FPL's initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or correction.
- 3. Representatives of FPL and the Department are discussing possible resolutions to the issues needing clarification or correction.

4. This request is filed simply as a protective measure to avoid waiver of FPL's right to challenge certain conditions contained in the Draft Permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing. A representative of FPL has conferred with staff of the Department who had no objection to this request.

WHEREFORE, FPL respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Permit No.0090006-005-AC be formally extended to and including May 28, 2009.

RESPECTFULLY SUBMITTED this 27<sup>TH</sup> day of March, 2009.
