Dear Mr. Elder:

Re: Extension of Permit No. AC16-234532

The Department received Jefferson Smurfit's May 30 letter requesting an extension of the expiration date of the above permit. The expiration date is changed as shown below:

From: July 1, 1995

To: **January 15, 1996**

This letter must be attached to your construction permit No. AC 16- 234532, and shall become a part of the permit.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) in accordance with Section 120.57, Florida Statutes (F.S.). The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 2600 Blair Stone Road, Tallahassee, Florida 32399-2400. Petitions filed by the applicant of the amendment request/application and the parties listed below must be filed within 14 days of receipt of this amendment. Petitions filed by other persons must be filed within 14 days of the amendment issuance or within 14 days of their receipt of this amendment, whichever occurs first. Petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. The Petition shall contain the following information:

- (a) The name, address and telephone number of each petitioner, the applicant's name and address, the Department Permit File Number and the county in which the project is proposed;
- (b) A statement of how and when each petitioner received notice of the Department's action or proposed action;

- (d) A statement of the material facts disputed by Petitioner, if any;
- (e) A statement of facts which petitioner contends warrant reversal or modification of the Department's action or proposed action;

- (g) A statement of the relief sought by petitioner, stating precisely the action the petitioner wants the Department to take with respect to the Department's action or proposed action.

If a petition is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this amendment. Persons whose substantial interests will be affected by any decision of the Department with regard to the amendment request/application have the right to petition to become a party to the proceeding. The petition must conform to the requirements specified above and be filed (received) within 14 days of receipt of this amendment in the Office of General Counsel at the above address of the Department. Any subsequent intervention will only be at the approval of the presiding officer upon motion filed pursuant to Rule 28-5.207, Florida Administrative Code.

Environmental Protection**

TO: Howard L. Rhodes
FROM: Clair Fancy 
DATE: June 19, 1995
SUBJECT: Amendment of Permit No. **AC16-234532**
Jefferson Smurfit Corporation

Attached for your approval and signature is a letter extending the expiration date of the above referenced construction permit.

The construction permit was valid through July 1, 1995 and was extended through January 15, 1996, 60 days after the due date for their Title V application submittal. This extension will ensure that Jefferson Smurfit has a valid permit while the Department conducts its completeness review of Jefferson's Title V permit application.

The Bureau recommends approval of this amendment.
