RE: Northside Generating Station Units 1 and 2  
Permit No. 0310045-008-AV and PSD-FL-265

Dear Ms. Vielhauer:

Per my conversation with Bruce Mitchell of your staff, please issue an extension until October 1, 2003 (the expiration date of construction permit PSD-FL-265) to respond to the Department's incompleteness letter dated September 18, 2002. This extension is needed to engineer and implement a fix to the natural gas-fired limestone dryers' particulate control system and perform the required stack-testing, and to provide other information required by the Department to process our application.

If you have any questions, please call me at (904) 665-6247.

Sincerely,
