Dear Ms. Vielhauer:

SEWER

The subject construction permit expires on June 30, 2009. While the installation of the SCR systems on Units 1 and 2 is on schedule and will be completed in early May, we request an extension of the expiration date until December 31, 2009 to complete the required testing and prepare and submit a timely application to revise the Title V permit to include these new systems.

If you have any questions, please contact Jay Worley at (904) 665-8729.

Sincerely,
