Scott,

Per our conversation, please do not include 0310045-017-AC in the Title V renewal you are currently processing. Construction on this project is still continuing. We will request that this project be incorporated into the Title V permit at a later date.

Thanks, Bert

Florida has a very broad Public Records Law. Virtually all written communications to or from State and Local Officials and employees are public records available to the public and media upon request. JEA does not differentiate between personal and business e-mails. E-mail sent on the JEA system will be considered public and will only be withheld from disclosure if deemed confidential pursuant to State Law. Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public-records request, do not send electronic mail to this entity. Instead, contact JEA by phone or in writing.
