Re: Trail Ridge Landfill Facility  
Trail Ridge Energy Facility  
Title V Air Pollution Source Operation Permit No. 0310358-003-AV

Dear Mr. Pearson:

After consulting with representatives of the Florida Department of Environmental Protection (FDEP) it has been determined that the appropriate Primary Responsible Official for the above referenced Title V source is the City of Jacksonville, Solid Waste Division in accordance with Rule 62-213.202, Florida Administrative Code.

Please submit a completed Responsible Official Notification form (copy attached) to me on or before September 15, 2006.

It is noted that all applications for air pollution source construction permits, which have been previously submitted to this agency, will be processed accordingly. All future air pollution source construction permit applications and Title V air pollution source operation permit applications shall be signed by the City of Jacksonville, Solid Waste Division as the primary responsible official or owner/authorized representative, as appropriate.

If you have any questions concerning this issue please contact Mr. Jerry Woosley of my staff or me at (904) 630-4900.

Very truly yours,

Richard L. Robinson, P.E., Manager  
Air Pollution Source Permitting Section
