Re: **Request for Additional Information Reminder**  
Project No. 0490015-011-AV  
Hardee Power Partners Limited, Hardee Power Station  
Title V Air Operation Permit Renewal

Dear Mr. Randall:

On May 20, 2009, the Department received your application for a Title V air operation permit renewal for the above referenced facility. The application is incomplete as submitted. The facility is located in Hardee County at 6695 County Road 663 North, in Bowling Green, Florida. The application was deemed incomplete and we requested additional information needed to process your application on July 15, 2009. We have not yet received the requested additional information. Rule 62-4.055(1) of the Florida Administrative Code (F.A.C.) requires the following:

*"The applicant shall have **ninety days** after the Department mails a timely request for additional information to submit that information to the Department. If an applicant requires more than ninety days in which to respond to a request for additional information, the applicant may notify the Department in writing of the circumstances, at which time the application shall be held in active status for one additional period of up to ninety days. Additional extensions shall be granted for good cause shown by the applicant. A showing that the applicant is making a diligent effort to obtain the requested additional information shall constitute good cause. Failure of an applicant to provide the timely requested information by the applicable deadline shall result in denial of the application."*

It has been over 45 days since our request for additional information (copy attached). You are reminded that the Acid Rain Part of the permit will expire at the end of this calendar year. You are also reminded that the permit processing time clock has stopped for this project and that we will not continue our review until we receive the additional information. If you require a period of time in addition to the 90 days allowed by rule, please submit a written request indicating the amount of time necessary. If you fail to provide the additional information or request additional time to submit the additional information, we will deny your application for Title V renewal. If you have any questions regarding this matter, please contact me at telephone number 850/921-8968.

Sincerely,

Susan C. DeVore, P.E.
