Dear Mr. Parsons:

The Department is in receipt of your letter dated March 5, 1991, requesting an increase in the maximum daily and annual throughputs. The Department will issue a revised "Notice of Intent to Issue" with the higher limits as soon as a revised estimate for PM/PM₁₀, SO₂, TRS/H₂S and VOC emissions has been received.

Other concerns expressed in your letter referenced above have been noted and they will be taken into consideration before the final permit is issued.

Processing of your application will continue as soon as a satisfactory response to this letter is received.

Sincerely,

for C. H. Fancy, P.E.
