### STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF INTENT TO ISSUE PERMIT AC29-241660 PSD-FL-209

The Department of Environmental Protection (Department) gives notice of its intent to issue a permit to Cargill Fertilizer, Inc. P. O. Box 9002, Bartow, Florida 33830. The permit will allow the applicant to modify, increase production) the existing No. 8 and No. 9 sulfuric acid plants at Cargill Fertilizer, Inc.'s phosphate fertilizer manufacturing plant on Highway 41 South in Riverview, Hillsborough County, Florida. The two emission units will be consolidated into one permit (AC 29-241660). The modification to the sulfuric acid plant requires a Best Available Control Technology (BACT) determination for sulfur dioxide and acid mist. The maximum predicted PSD Class II sulfur dioxide increments to be consumed by the proposed project are the following: 0.47 ug/m3, annual average, or 2% of the available annual increment of 20 ug/m3; 4.22 ug/m3, 24-hour average, or 5% of the available 24-hour increment of 91 ug/m3; and 17.33 ug/m3, 3-hour average, or 3% of the available 3-hour increment of 512 ug/m3. The maximum predicted PSD Class I sulfur dioxide increments to be consumed by the proposed project are the following: 0.008 ug/m3, or less than 1% of the available annual increment of 2.0 ug/m3; 0.27 ug/m3, 24-hour average, or 5% of the available 24-hour increment of 5.0 ug/m3; and 1.31 ug/m3, 3-hour average, or 5% of the available 3-hour increment of 25 ug/m3. Emissions from this modification will not cause or significantly contribute to a violation of any ambient air quality standard or Prevention of Significant Deterioration (PSD) increment. The Department is issuing this intent to issue for the reasons stated in the Technical Evaluation and Preliminary Determination.

A person whose substantial interests are affected by the Department's proposed permitting decision may petition for an administrative proceeding (hearing) in accordance with Section 120.57, Florida Statutes (F.S.). The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel of the Department at 2600 Blair

Stone Road, Tallahassee, Florida 32399-2400, within 14 days of publication of this notice. Petitioner shall mail a copy of the petition to the applicant at the address indicated above at the time of filing. Failure to file a petition within this time period shall constitute a waiver of any right such person may have to request an administrative determination (hearing) under Section 120.57, F.S.

The Petition shall contain the following information: (a) The name, address, and telephone number of each petitioner, the applicant's name and address, the Department Permit File Number and the county in which the project is proposed; (b) A statement of how and when each petitioner received notice of the Department's action or proposed action; (c) A statement of how each petitioner's substantial interests are affected by the Department's action or proposed action; (d) A statement of the material facts disputed by Petitioner, if any; (e) A statement of facts which petitioner contends warrant reversal or modification of the Department's action or proposed action; (f) A statement of which rules or statutes petitioner contends require reversal or modification of the Department's action or proposed action; and (g) A statement of the relief sought by petitioner, stating precisely the action petitioner wants the Department to take with respect to the Department's action or proposed action.

If a petition is filed, the administrative hearing process is designed to formulate agency action. Accordingly, the Department's final action may be different from the position taken by it in this Notice. Persons whose substantial interests will be affected by any decision of the Department with regard to the application have the right to petition to become a party to the proceeding. The petition must conform to the requirements specified above and be filed (received) within 14 days of publication of this notice in the Office of General Counsel at the above address of the Department. Failure to petition within the allowed time frame constitutes a waiver of any right such person has to request a hearing under Section 120.57, F.S., and to participate as a party to this proceeding. Any subsequent intervention will only be at the approval of the presiding officer upon motion filed pursuant to Rule 28-5.207, Florida Administrative Code.

The application is available for public inspection during normal business hours, 8:00 a.m. to 5:00 p.m., Monday through Friday, except legal holidays, at: Department of Environmental Protection, Bureau of Air Regulation, 111 S. Magnolia Park Courtyard, Tallahassee, Florida 32301  
Department of Environmental Protection, Southwest District, 3804 Coconut Palm Drive, Tampa, Florida 33619-8218  
Environmental Protection Commission of Hillsborough County, 1410 N. 21st Street, Tampa, Florida 33605

Any person may send written comments on the proposed action to Mr. John Brown at the Department's Tallahassee address. All comments received within 30 days of the publication of this notice will be considered in the Department's final determination.

Further, a public hearing can be requested by any person(s). Such requests must be submitted within 30 days of this notice.
