BUREAU OF AIR REGULATION

Subject: Application(s) for Transfer of Air Permits
Air Construction and Title V Permits

Dear Ms. Vielhauer:

We are in receipt of your letter dated June 19, 2004, with regard to the subject permit transfers. As for item (1) the request for proof that Edgar O. Morris is the Responsible Official (R.O.) for both corporations, enclosed are statements of the Assistant Secretary of Cargill Fertilizer, Inc. / Cargill Fertilizer, LLC indicating that Mr. Morris was elected Vice President of both companies.

On January 8, 2004, a request [DEP Form No. 62-213.900(8)] to change the Responsible Official on the Riverview Facility Title V Permit from Don Clark to E.O. (Ozzie) Morris or in his absence, David B. Jellerson, was submitted to your Mr. Johathan Holtom, (copy enclosed).

As for item (2), documentation is also enclosed which indicates that the liability goes with the assets for each facility. It is hoped these documents, along with the e-mail this date from our Ms. Debbie Waters requesting clarification and an extension of 30 days to prepare the Statements of Compliance will provide you with necessary information.

Very truly yours,

Adelia M. (Dee) Hurst
