Petitioner,

OCG Case No.  
DEP Draft Permit No. 0570008-061-AC  
BART Exemption Project –  
Riverview Facility

vs.

STATE OF FLORIDA, DEPARTMENT OF  
ENVIRONMENTAL PROTECTION,

Respondents.

FIRST REQUEST FOR ENLARGEMENT OF TIME

By and through undersigned counsel, Mosaic Fertilizer, LLC (“Mosaic”) hereby requests, pursuant to Florida Administrative Code Rule 62-110.106(4), an enlargement of time to and including May 12, 2009, in which to file a Petition for Administrative Proceedings in the above-styled matter. As good cause for granting this request, Mosaic states the following:

1. On or about March 3, 2009, Mosaic received from the Department of Environmental Protection (“Department”) an “Intent to Issue Air Permit” and accompanying “Draft Permit” (Draft Permit No. 0570008-061-AC), for the Riverview facility, which is located at 8813 U.S. Highway 41 South, Riverview, Hillsborough County, Florida.

2. Based on Mosaic’s initial review, the Draft Permit and associated documents contain several provisions that warrant clarification or corrections.

3. Mosaic and the Department are in the process of discussing possible resolutions to the issues needing clarification or correction. Mosaic will provide written comments by the March 24, 2009 public comment deadline.

4. This request is filed simply as a protective measure to avoid waiver of Mosaic's right to challenge certain conditions contained in the Draft Permit. Grant of this request will not prejudice either party, but will further their mutual interest and hopefully avoid the need to file a Petition and proceed to a formal administrative hearing.

WHEREFORE, Mosaic Fertilizer, LLC respectfully requests that the time for filing of a Petition for Administrative Proceedings in regard to the Department's Intent to Issue Air Permit No. 0570008-061-AC be formally extended to and including May 12, 2009.

Respectfully submitted this 13th day of March, 2009.
