SUBJECT: Permit No. AC29-135083  
Request for 90 Day Extension of  
Expiration Date - No. 5 DAP Plant

Dear Mr. Fancy:

Gardiner and the Department has had several conversations with the EPA regarding the subject permit and Gardiner's present PSD Permit.

We seem to have resolved all issues in the permit's favor except for the allowable SO2 emissions. We have verbally agreed to compromise with EPA.

Gardiner requests an extension of the subject construction permits' expiration date by 90 days to resolve all issues with EPA and the Gardiner PSD Permit.

If we can supply any additional information, please feel free to call.

Very truly yours,

E. O. Morris  
Environmental Manager

In light of recent  
events maybe we  
should not do  
this? ~~Yes~~

Date - 11/May/88

Unless the idea is  
to shut the plant  
down, this permit  
extension should be  
no problem.

Howard
