

MEMORANDUM

TO: File

THRU: W. C. Thomas, P.E. *WC*

THRU: J. Harry Kerns, P.E.

FROM: George W. Richardson *GWR*

DATE: September 15, 1989

SUBJECT: Hillsborough County - AP
Tampa Electric Company
F.J. Gannon Station Combustion Turbine
A029-160272

This permit is for the above referenced source that is located at Port Sutton Road, Tampa, Hillsborough County.

The turbine is fired with new No. 2 fuel oil. The unit is rated at 14 MW.

The source was tested for visible emissions on March 15, 1989 and it was in compliance.

The EPCHC and I recommend this permit be issued as conditioned.
