HAND DELIVERED

Re: Tampa Electric Company
F.J. Gannon Station Fly Ash Silo #1
Air Permit No. A029-160258

Gentlemen:

Tampa Electric Company requests the above referenced permit be amended to include the pug mill installation authorized under DER's letter of authorization dated September 12, 1991. In accordance with the letter of authorization, please find enclosed the following:

1. Two Certificates of Completion of Construction, signed and sealed.
2. Two copies of the visible emissions test result.
3. A check for \$380 to the Environmental Protection Commission of Hillsborough County and a check for \$250 to the Florida Department of Environmental Regulation for processing.

The above documents, as well as the processing fees, are in Mr. Stewart's copy. Should you have any further questions, feel free to call Janice Taylor or me at 228-4836.

Sincerely,

Lynn F. Robinson, P.E.
