Re: Administrative Order
No. AC-75-39(a)

GANNON
BIG BEND

Dear Mr. Culbreath:

In response to Mr. Robert Murray's letter of May 30, 1975, to Mr. Jack Ravan, we are formally notifying you of our intent to amend the above-referenced Administrative Order to effect a partial stay and termination thereof conditioned on approval of the proposed Florida regulation change. This proposed Amended Order will reflect the following modifications:

In Appendices E and F, increment numbers 2, 3, 4 and 5 will be omitted and the date in increment number 6 will be moved up (this date will be 30 days after approval of the Florida plan revision);

In Appendix G, Part B will be deleted; and

Appendix H will be deleted in its entirety.

All other portions of the Order will remain in full force and effect. As of this date Tampa Electric Company has apparently committed the following violations:

1. Increment number 1 of Appendices E and F have not been satisfactorily met.
2. Part VI has not been complied with.

- 3. Part VII has not been complied with.
- 4. Part IX has not been complied with.
- 5. Increment numbers 2 and 3 of Appendix D have not been satisfactorily met.

If the aforementioned violations are cured and the requisite information submitted within ten (10) days of receipt of this Notification, no additional enforcement action will be pursued.

If you desire a formal conference to discuss these violations, please call me within the stipulated ten (10) day period.

Sincerely yours,

Original Signed By,

Paul J. Traina
