Barbara - Attached are signed final Title V permit documents for the above referenced facility. Please clerk and issue.

Jeff – No comments were submitted during the public notice period for the draft/proposed landfill permit. The final permit is issued with no changes. This is the first Title V renewal done for a landfill in Tallahassee. TTP for the project was 66 days and TIH is 117 days.

Ed – Please replace all the word documents in your folder with the ones attached with this email.

Thanks,
Syed
