RE: FPL Martin Coal Gasification/Combined Cycle Project (PSD-FL-146)

Dear Mr. Fancy:

This is to acknowledge receipt of your final determination and Prevention of Significant Deterioration (PSD) permit for the above referenced facility by letter dated June 3, 1991. We have reviewed the package as requested and have noted the additional permit condition requiring a cumulative impacts analysis on the Class I Area for Phase II of the Martin project in response to comments from the National Park Service. We have no adverse comments.

Thank you for the opportunity to review and comment on this package and for the effort that you and your staff have put forth in resolving the issues related to the permitting of this source. If you have any questions or comments, please contact Mr. Gregg Worley of my staff at (404) 347-5014.

Sincerely yours,

  
Jewell A. Harper, Chief  
Air Enforcement Branch  
Air, Pesticides, and Toxics  
Management Division
