Hi Lynn,

Please find enclosed 2 checks in the amount of \$8,500 to cover the permit fees and \$150 to cover bank fees associated with the original check being returned for non-payment.

As discussed today with Tammy McWade and Melanie Baker (finance department) the inability to make the payment by cashier check due to our being based in Ireland and no access to a Bank of America branch plus the delay in organizing same is excused. We have, by mutual agreement, issued another check and assure you that the funds necessary to cover the check are in place in the account.

Please advise by e-mail that you have received the checks.

Signed
