Subject: **Notice of Name Change from GenOn Florida, LP to NRG Florida LP
Osceola Power Plant – Permit No. 0970071-012-AV**

Dear Ms. Shine and Ms. Searce:

On December 14, 2012, GenOn Energy, Inc. (GenOn) and NRG Energy, Inc. (NRG) merged and retained the name NRG Energy, Inc. As a result of the merger, GenOn entities became wholly owned subsidiaries of NRG and until recently retained the GenOn name. On May 28, 2013, a Certificate of Amendment changing the name of GenOn Florida, LP was certified changing the name of the entity that owns and operates Osceola Generating Station to NRG Florida LP.

Documentation evidencing the name change is enclosed.

There is no change in the owner, operator or control of the Osceola Generating Station. Furthermore, there is no change in facility operation, its emissions and discharges or any other conditions represented in the referenced permits. Also note that there are no changes to the federal tax ID numbers, office addresses, or telephone numbers.

If you have any questions or require additional information regarding this change, please contact Mr. Luke Beachler at (724)-597-8058 or luke.beachler@nrgenergy.com.

Sincerely,

James H. Sanford, Jr.
Plant Manager
