RE: Letter Regarding Notice of Change in Project's Managing Partner

Dear Mr. Rajter:

The Department received a letter on June 9, 2004, signed by Mr. Thomas A. Grace, requesting that we send any future correspondence to a Mr. Richard Christmas, Plant Manager, and notifying the Department of the sale of Aquila, Inc.'s equity interest in the Pasco Cogen, LTD, to Teton Power Funding, LLC, through its subsidiaries. Based on a review of the request and Rules 62-4.120(2) & (3), Florida Administrative Code (F.A.C.), the Department's Bureau of Air Regulation will need additional information and/or clarification in order to continue to process the request:

1. Based on a review of our data base (ARMS), Mr. Grace is not listed as a Responsible Official (primary or alternate). Since this request affects a Title V permit, the correspondence must be signed by a Responsible Official. If this is the case, then please initiate appropriate action to resolve this issue.
2. Based on a review of the web site for the Florida Department of State, Division of Corporations, specifically for the listing "Teton Power Funding, LLC", it is not listed as a corporation and you are not listed as an official for that corporation. Please provide documentation that you meet the definition criteria at Rule 62-210.200, F.A.C., Definitions - Responsible Official (R.O.), for the new corporation. Until proof of legitimacy has been received, the request has not been officially received.
3. For the new corporation, Teton Power Funding, LLC, please provide documentation that the liability of Pasco Cogen, LTD, goes with the assets for the facility.
4. If appropriate, any Transfer of Air Permit should be submitted on DEP Form 62-210.900(7).

If you have any questions regarding this matter, please contact Mr. Bruce Mitchell at 904/413-9198 or write to me at the above letterhead address.

Sincerely,

Trina L. Vielhauer
