**Re: Tampa Electric Company
Polk Power Station Unit 1
Pet Coke Modification Request
1050233-001-AV**

Dear Mr. Sheplak:

In correspondence dated July 3, 2000, Tampa Electric Company (TEC) submitted a permit modification request to modify both the PSD and Title V Permit associated with the above source. Please accept this letter as a request to temporarily withdraw the request to modify the Title V Permit. This request is being made to separate the processing of the PSD portion of the modification request so that it may proceed on an independent track. Once the PSD modification is complete, a separate request to continue processing of the Title V modification will be submitted.

If you have any questions, please telephone Shannon Todd, Jamie Hunter or me at (813) 641-5125.

Sincerely,

Mark J. Hornick
