RE: FPL SANFORD REPOWERING PROJECT

MESSAGE:

Dear Len:

Attached please find a copy of the application for Florida Power & Light Company's Sanford Repowering Project. This application was filed with the Department's Bureau of Air Regulation (BAR) in Tallahassee this week and Kim Tober requested that I send you a copy. If you or your staff has any questions, please contact Rich Piper of FPL (561/691-7058) or me.

Regards, Ken
