

Appendix U-1, List of Unregulated Emissions Units and/or Activities.

Department of the Navy
Naval Air Station, Jacksonville

Proposed Permit No.: 0310215-027-AV
Facility ID No.: 0310215

Unregulated Emissions Units and/or Activities. An emissions unit which emits no emissions-limited pollutant and which is subject to no unit-specific work practice standard, though it may be subject to regulations applied on a facility-wide basis (e.g., unconfined emissions, odor, general opacity) or to regulations that require only that it be able to prove exemption from unit-specific emissions or work practice standards.

The below listed emissions units and/or activities are neither “regulated emissions units” nor “insignificant emissions units”.

E.U.

ID No.

Brief Description of Emissions Units and/or Activity
