Shipping Container Refinishing Operation

Enclosed are ADMINISTRATIVELY CORRECTED Specific Conditions to Title V Air Operation Permit, No. 0310333-004-AV, for the operation of the Shipping Container Refinishing Operation located at 8831 Moncrief Dinsmore Road, Jacksonville, Duval County, FL. This correction is issued pursuant to Rule 62-210.360, Florida Administrative Code (FAC), and Chapter 403, Florida Statutes (FS). This change is made at the applicant's request dated August 14, 2006. This corrective action does not alter the effective dates of the existing permit.

The Environmental Resource Management Department, Environmental Quality Division (Department) will consider the above-noted action final unless a timely petition for an administrative hearing is filed pursuant to Sections 120.569 and 120.57, FS. Mediation under Section 120.573, FS, will not be available for this proposed action.

A person whose substantial interests are affected by the proposed permitting decision may petition for an administrative hearing in accordance with Sections 120.569 and 120.57, FS. The petition must contain the information set forth below and must be filed (received) in the Office of General Counsel, City of Jacksonville, 117 W. Duval St., Suite 480, Jacksonville, FL 32202, [Telephone: (904) 630-1700; Fax: (904) 630-1731]. Petitions filed by the permit applicant or any of the parties listed below must be filed within 14 (fourteen) days of receipt of this notice. Petitions filed by any other person must be filed within 14 (fourteen) days of receipt of this proposed action. A petitioner must mail a copy of the petition to the applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an administrative determination (hearing) under Sections 120.569 and 120.57, FS, or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, FAC.

A petition must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;

- (e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief;
- (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action; and,

A petition that does not dispute the material facts upon which the permitting authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, FAC.

Because the administrative hearing process is designed to formulate final agency action, the filing of a petition means that the permitting authority's final action may be different from the position taken by it in this notice. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.

Any party to this order (permit) has the right to seek judicial review of it under Section 120.68, F.S., by the filing of a Notice of Appeal, under Rule 9.110 of the Florida Rules of Appellate Procedure, with the Office of General Counsel, City of Jacksonville, 117 W. Duval St., Suite 480, Jacksonville, FL 32202, [Telephone: (904) 630-1700; Fax: (904) 630-1731]; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within thirty days from the date this notice is filed with the Clerk of the permitting authority.

Executed in Jacksonville, Florida.
