STATE OF FLORIDA DEPARTMENT OF ENVIRONMENTAL PROTECTION NOTICE OF FINAL PERMIT

In the Matter of an
Application for Permit by:

Mr. Alex C. George, VP and Responsible Official
Hardee Power Partners (A Subsidiary of Invenenergy, LLC)
One South Wacker Drive, Suite 2020
Chicago, Illinois 60606

DEP File No. 0490015-007-AV
Hardee Power Station
Hardee County

Enclosed is Final Permit Number 0490015-007-AV. The purpose of this revision is to change various permit conditions to match the updated requirements of 40 CFR 60, Subpart GG, which was revised on July 8, 2004. Such changes are primarily related to fuel monitoring and additional emissions monitoring options. This permitting action is also being used to replace Appendix TV-4, Title V Conditions (version dated 02/12/02) with Appendix TV-6, Title V Conditions (version dated 6/23/06), as well as other minor administrative corrections as described in the Statement of Basis. It was determined that a concurrent Air Construction permit revision (as originally requested) was not required because the changes contained in this revision do not alter the requirements contained in the construction permits to comply with the applicable portions of 40 CFR 60, Subpart GG.. This permit is issued pursuant to Chapter 403, Florida Statutes.

Any party to this order has the right to seek judicial review of it under section 120.68 of the Florida Statutes, by filing a notice of appeal under rule 9.110 of the Florida Rules of Appellate Procedure with the clerk of the Department of Environmental Protection in the Office of General Counsel, Mail Station #35, 3900 Commonwealth Boulevard, Tallahassee, Florida, 32399-3000, and by filing a copy of the notice of appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The notice must be filed within thirty days after this order is filed with the clerk of the Department.

Executed in Tallahassee, Florida.

Trina L. Vielhauer, Chief
Bureau of Air Regulation
