Re: Permit No. 0810010-014-AV
Manatee Power Plant
Title V Air Operation Permit Renewal

Dear Mr. Plotkin:

One copy of the Proposed Determination for the Title V Air Operation Permit Renewal for the Manatee Power Plant, located at 19050 State Road 62, in Parrish, Manatee County is enclosed. This letter is only a courtesy to inform you that the Draft Title V Air Operation Permit has now become a Proposed Title V Air Operation Permit. An electronic version of this determination has been posted on the Division of Air Resources Management's web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. The web site address is: <http://www.dep.state.fl.us/air/eproducts/apds/default.asp>. Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the Proposed Permit is made by the USEPA within 45 days, the Proposed Title V Air Operation Permit will become a Final Title V Air Operation Permit no later than 55 days after the date on which the Proposed Title V Air Operation Permit was mailed (posted) to USEPA. If USEPA has an objection to the Proposed Title V Air Operation Permit, the Final Title V Air Operation Permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact the Project Engineer, Tom Cascio, by telephone at 850-921-9526 or by email at tom.cascio@dep.state.fl.us.

Sincerely,

Jonathan Holton
for Trina L. Vielhauer

Chief
Bureau of Air Regulation
