Re: Title V Air Operation Permit Revision
PROPOSED Permit No.: 1070015-012-AV
Hawthorne Plywood Mill

Dear Mr. Pinner:

One copy of the "PROPOSED Determination" for the Proposed Title V Air Operation Permit Revision for the Georgia-Pacific Wood Products, LLC.' Hawthorne Plywood Mill located at 223 Gordon Chapel Road, Hawthorne, Putnam County, is enclosed. This letter is only a courtesy to inform you that the DRAFT Permit has become a PROPOSED Permit.

An electronic version of this determination has been posted on the Division of Air Resources Management's world wide web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. The web site address is:

<http://www.dep.state.fl.us/air/eproducts/ards/default.asp>

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED Permit is made by the USEPA within 45 days, the PROPOSED permit will become a FINAL Permit no later than 55 days after the date on which the PROPOSED permit was mailed (posted) to USEPA. If USEPA has an objection to the PROPOSED Permit, the FINAL Permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you should have any questions, please contact MengChiu Lim at 904/807-3238.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher L. Kirts". The signature is fluid and cursive, with the first name "Christopher" being more legible than the last name "Kirts".

Christopher L. Kirts, P.E.
District Air Program Administrator

PROPOSED Determination

I. Public Notice.

An "INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" to Georgia Pacific Wood Products, LLC. for the facility located at 223 Gordon Chapel Road, Hawthorne, Putnam County was issued on May 3, 2007. The "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" was published in the *Palatka Daily News* on May 8, 2007. The DRAFT Title V Air Operation Permit was available for public inspection at the Northeast District Office in Jacksonville. Proof of publication of the "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" was received on June 6, 2007.

II. Public Comment(s).

No public comments were received during the 30 (thirty) day public comment period. However, the Department has received comments from applicant on June 6, 2007. The comments are for clarification and were not considered significant enough to reissue the DRAFT Permit and require another Public Notice. Listed below is each comment letter in the chronological order of receipt and a response to each comment in the order that the comment was received. The comment(s) will not be restated. Where duplicative comments exist, the original response is referenced.

As a result of this comment, the Section I.A. Last sentence in the second paragraph of the facility description is hereby changed:

From: The plywood is then trimmed, some maybe sanded and ready for shipment.

To: The plywood is then trimmed. Portion of the plywood may then be overlaid with foil or sanded prior to shipment.

Section III. Specific Condition No. A.2 is hereby changed:

From: This boiler is fired with green and dry wood. The pilot burner is fired with propane. The electrostatic precipitator shall be operated with at least two cells during normal operation.

To: This boiler is fired with unadulterated wood including; green wood, plywood trim, sawdust from the operation. The pilot burner is fired with propane. The electrostatic precipitator shall be operated with at least two cells during normal operation.

Permitting note in the parenthesis of Section III, Specific Condition A.5. is hereby changed:

From: Permitting Note: 40 CFR 63 NESHAPs Title III, Subpart DDDDD compliance effective date is September 13, 2007.

To: Permitting Note: 40 CFR 63 NESHAPs Title III, Subpart DDDDD compliance effective date is September 13, 2007. The compliance date of the rule may be amended.

Section III, Specific Condition A.17. is hereby changed:

From: The owner or operator shall demonstrate initial compliance no later than 180 days after the compliance date (September 13, 2007).

To: The owner or operator shall demonstrate initial compliance no later than 180 days after the compliance date (September 13, 2007 or see permitting note @ specific condition A.5.).

III. Conclusion.

The permitting authority hereby issues the PROPOSED Permit, with any changes noted above.
