In the Matter of a Request for Administrative Correction:

Rich Coyle	Project No.: 1110004-011-AV
Plant Manager	Administrative Correction to Permit No.: 1110004-010-AV
Tropicana Manufacturing Company, Inc. 6500 Glades Cut-off Road Fort Pierce, Florida 34981	Fort Pierce Facility St. Lucie County

Enclosed is an ADMINISTRATIVELY CORRECTED page to the Title V Air Operation Permit, No. 1110004-010-AV, for the operation of the Fort Pierce facility located at 6500 Glades Cut-off Road, Fort Pierce, St. Lucie County. This Correction is issued pursuant to Rule 62-210.360, Florida Administrative Code (F.A.C.), and Chapter 403, Florida Statutes (F.S.). This change is made at the Applicant's request dated 11/19/07, to transfer the ownership of the facility from Tropicana Products, Inc., to Tropicana Manufacturing Company, Inc. This Corrective Action does not alter the effective dates of the existing permit.

The Department of Environmental Protection (Department) will consider the above-noted action final unless a timely Petition for an Administrative Hearing is filed pursuant to Sections 120.569 and 120.57, F.S. Mediation under Section 120.573, F.S., will not be available for this Proposed Action.

A person whose substantial interests are affected by the Proposed Permitting Decision may petition for an Administrative Hearing in accordance with Sections 120.569 and 120.57, F.S. The petition must contain the information set forth below and must be filed (received) by the Agency Clerk in the Department's Office of General Counsel, MS #35, 3900 Commonwealth Boulevard, Tallahassee, Florida 32399-3000 (Telephone: 850/488-9314, Fax: 850/487-4938). Petitions filed by the permit Applicant or any of the parties listed below must be filed within 14 (fourteen) days of receipt of this Notice. Petitions filed by any other person must be filed within 14 (fourteen) days of receipt of this Proposed Action. A petitioner must mail a copy of the petition to the Applicant at the address indicated above, at the time of filing. The failure of any person to file a petition within the appropriate time period shall constitute a waiver of that person's right to request an Administrative Determination (Hearing) under Sections 120.569 and 120.57, F.S., or to intervene in this proceeding and participate as a party to it. Any subsequent intervention will be only at the approval of the presiding officer upon the filing of a motion in compliance with Rule 28-106.205, F.A.C.

A petition must contain the following information:

- (a) The name and address of each agency affected and each agency's file or identification number, if known;
- (b) The name, address, and telephone number of the petitioner; the name, address and telephone number of the petitioner's representative, if any, which shall be the address for service purposes during the course of the proceeding; and an explanation of how the petitioner's substantial interests will be affected by the agency determination;
- (c) A statement of how and when each petitioner received notice of the agency action or proposed action;
- (d) A statement of all disputed issues of material fact. If there are none, the petition must so indicate;
- (e) A concise statement of the ultimate facts alleged, as well as the rules and statutes which entitle the petitioner to relief;
- (f) A statement of the specific rules or statutes the petitioner contends require reversal or modification of the agency's proposed action; and,
- (g) A statement of the relief sought by the petitioner, stating precisely the action petitioner wishes the agency to take with respect to the agency's proposed action.

A petition that does not dispute the material facts upon which the permitting authority's action is based shall state that no such facts are in dispute and otherwise shall contain the same information as set forth above, as required by Rule 28-106.301, F.A.C.

Because the Administrative Hearing process is designed to formulate Final Agency Action, the filing of a petition means that the permitting authority's final action may be different from the position taken by it in this Notice. Persons whose substantial interests will be affected by any such final decision of the permitting authority on the application have the right to petition to become a party to the proceeding, in accordance with the requirements set forth above.
