Re: Title V Air Operation Permit Renewal
Proposed Permit No. 0550036-012-AV
Alpha General Services Facility

Dear Mr. Radonski:

One copy of the proposed permit determination for the renewal of the Title V air operation permit for the Alpha General Services Facility located at 1578 Alpha Road in Sebring, Highlands County, is enclosed. This letter is only a courtesy to inform you that the draft permit has become a proposed permit. An electronic version of this determination has been posted on the Division of Air Resource Management's world wide web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. Interested persons may view the proposed permit by visiting the following website: <https://fldep.dep.state.fl.us/air/emission/apds/default.asp> and entering the permit number shown above.

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the proposed Title V air operation permit is made by the USEPA within 45 days, the proposed permit will become a final permit no later than 55 days after the date on which the proposed permit was mailed (posted) to USEPA. If USEPA has an objection to the proposed permit, the final permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you should have any questions, please contact Martin Costello, at (850) 7179040 or by email Martin.Costello@floridadep.gov.

Executed in Tallahassee, Florida.
