COMMENTS: In a compliance inspection conducted on 5/18/2007, AQD staff observed activities at Alpine Jaquar Body Shop. The facility two spary booths and one mixing room. The housekeeping has approved since last years inspection. Mr. Michael Schmidt (manager) and AQD staff discussed the reduction of the use of laquer thinner (no 45 gallons monthly as compared to 85-100 at the past location). AQD staff infomed Mr. Schmidt that he would be nominated for an Emerald Award Certificate for reduction in waste.

He will be obtaining all his VOC records from his paint supplier (Albert Kemperle) and sending them to the department.
