COMMENTS: The Boss Boats facility moved out of Pinellas County. A new business is now located in their building, USA Composite Works owned and operated by Ron Cook. Mr. Cook stated he believed they relocated to Titusville, or stopped manufacturing in Florida, and went to Alabama. I searched the Internet Yellow Pages and was only able to locate the previous address in Lee County. This was before the company came to Pinellas County. Bruce Keen was the owner located in Holland Michigan. 616-738-6646. I called and left a message on his phone mail in regards to rescinding his permit, to send a letter if the file can be closed.
