COMMENTS: In a compliance inspection conducted on 12/19/2007, AQD staff observed operations at Phoenix Group. They are a furnisher/refinisher. The facility has one spray booth and two hand-held contained dust collectors. They change the filters on the spray booth every week. AQD staff was accompanied by Elkin (shop manager). The owner Mr. Flores was also present. Housekeeping was good. The facility submitted usage logs on 12/19/2007. They are the same numbers as submitted in 7/2007. AQD staff will call the facility to verify usages.
